Presents
Continued Professional Development for
Primary School Teachers

CPD for Teachers

Teaching Dance with Confidence in PE

- Designed to support teachers when dance becomes compulsory in PE curriculum
- Practical, creative and confidence-building training
- Delivered by professional dancers & facilitators experienced in primary education
- CPD aligned with curriculum goals and whole-child development

What We Do

CPD Content & Structure:

- Practical Training: Learn fun, accessible dance activities, adaptable for all ages/abilities
- Curriculum Alignment: How dance supports PE, literacy, wellbeing & creativity
- Confidence Building: Tools for teachers who feel nervous about dance delivery
- Creative Strategies: Co-create choreography, storytelling, cross-curricular links
- Inclusivity: Adaptations for children with SEN, SEMH, and learning differences

Formats Offered:

- Full-day training (5–6 hours)
- Half-day or twilight sessions (2–3 hours)
- Ongoing micro-learning resources (short video / guides)

Impact for Schools & Teachers

Benefits for Teachers:

- Gain confidence teaching dance in PE
- Learn practical activities you can reuse & adapt
- Understand how to manage class behaviour through movement
- Develop knowledge of how dance improves physical literacy, teamwork and creativity

Benefits for Pupils:

- Access to high-quality, inclusive dance lessons
- Growth in coordination, balance, expression, and confidence
- Improved wellbeing & social-emotional skills
- Engagement through creativity and movement
